

# The user insights platform built for B2B products

Find product testers with the right professional backgrounds that match your target market.

Get Started

Get Paid to Test

## Get feedback from the right kind of users

### Tester profiles are 100% verified

We spend a lot of time confirming our testers' work experiences to ensure you recruit the right profiles for your project.

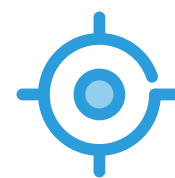

### Automated matching

We only show your project to testers that match your criteria, speeding up the matching process.

### Only pay for successful testing sessions

We take your time seriously. Never pay for no-shows and sessions that did not meet your requirements.

## How it works

### | Start in a few clicks

Create your testing project in under 10 minutes with a step-by-step form.

### | Find the right audience

Define your target users by specifying your profile criteria.

### | Automate scheduling

Indicate your available time slots that testers can sign up for.

### | Specify your budget

Choose from a range of tester incentives. 100% of the amount goes to testers!

### | Launch your project!

Sit back and relax as we post your project and send calendar invites for booked testing sessions.

## FAQ

### + How long can a testing session be?

Testing session duration can be set at 30 minutes, 1 hour, or 2 hours long.

### + Why should I pay incentives to testers?

Testers are offering their time to provide invaluable feedback and deserve to be compensated for their efforts. Testing projects with fair incentives tend to have better testers.

### + How much do I have to pay for each testing session?

You can choose from five levels of tester incentives: \$10/hour, \$20/hour, \$30/hour, \$40/hour, or \$50/hour. In order to keep our platform running, there will also be a 10% TestingPro service fee.
